The Workslop Tax

AI generated work content that masquerades as good work, but lacks the substance to meaningfully advance a given task.

Generative AI

AI-Generated “Workslop” Is Destroying Productivity

by Kate Niederhoffer, Gabriella Rosen Kellerman, Angela Lee, Alex Liebscher, Kristina Rapuano and Jeffrey T. Hancock

September 22, 2025, Updated September 25, 2025

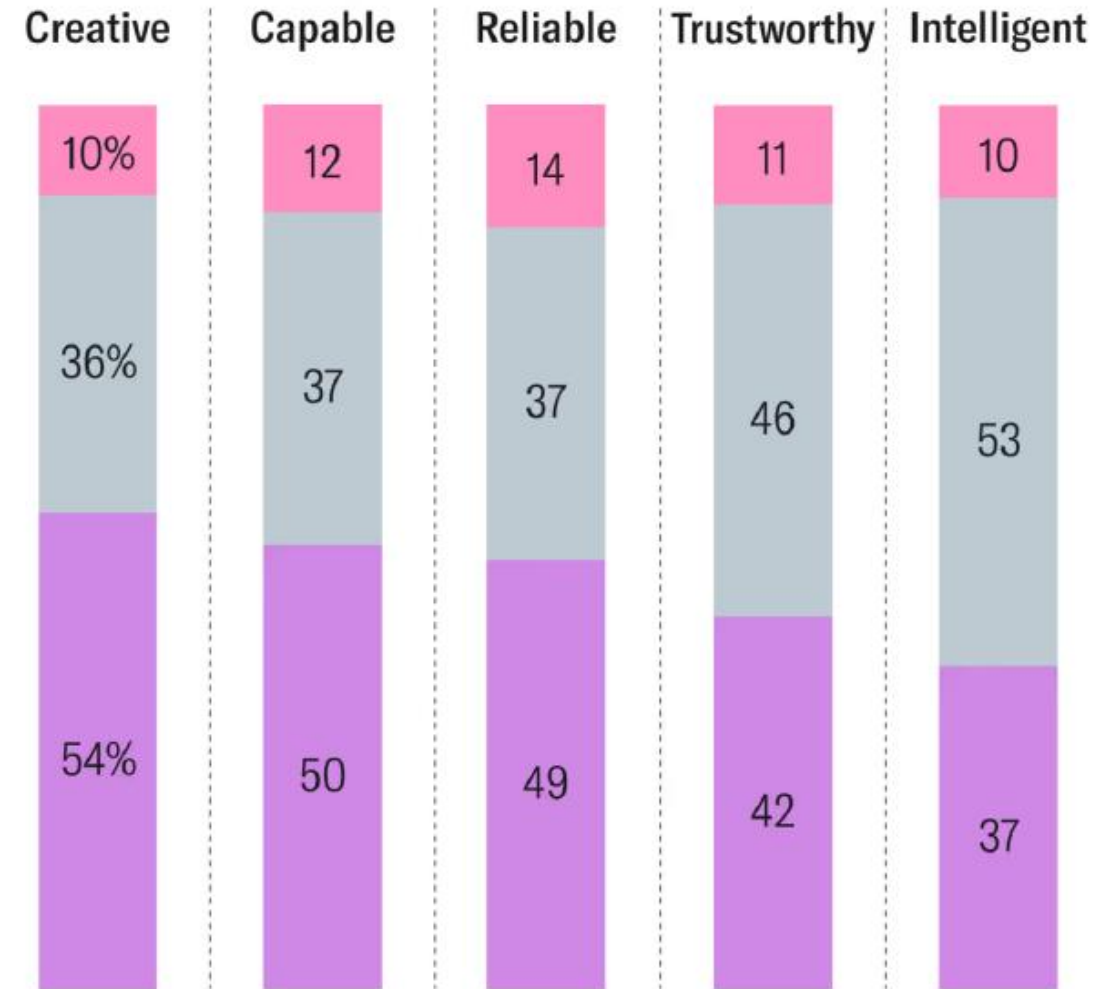

The Workslop Tax

Workslop Makes Colleagues Think Less of Each Other

Respondents report that receiving low-effort, AI-generated work lowers their opinion of colleagues across five traits.

How did receiving this work change your perception of your colleague?

Effective context engineering for AI agents

Published Sep 29, 2025

Context is a critical but finite resource for AI agents. In this post, we explore strategies for effectively curating and managing the context that powers them.
